

# Daily Assignments

-All Scholars that were in attendance on Friday, March 13th, received work packets. If your scholar did not receive a work packet, they will be available beginning March 16th (daily) from 10:00am-1:00pm.

- Instructional support assignments for students to use during the closure period are available. You can access these packets through the link on the school website or you may contact the school to arrange a pick up of paper materials if needed.

Students that are able to access their iReady accounts at home may access their online accounts.

These assignments are designed to support learning that has already taken place this year to help students retain their knowledge and skill sets. (no expectations of graded work right now)

# Akron Preparatory School Newsletter March 13, 2020 Spring Break

**AKRON PREPARATORY  
SCHOOL
